

79. (New) An apparatus according to claim 96, wherein said one or more wheels are fixedly attached to said base container.--

REMARKS

The amendments made to the specification are for clarification purposes and do not add any new matter. Specifically, the detailed description section of the application has been amended to provide consistency of term usage between the claims and the detailed description. Also, the summary of the invention section has been amended to be consistent with the subject matter being claimed.

An early action on the merits is earnestly solicited.

Respectfully submitted,
